Question: Is a list of bidders available?

Answer: Refer to the RFQ-NFC-05-2024 Specifications Document which is available for download from the NFC web page at <https://www.nfc.edu/about-nfc/procurement-contracts/>. The bidders list will be comprised of respondents to the RFQ for prequalified contractor status with NFC, who respond by the deadline for RFQ response and who successfully meet the criteria for prequalification as listed in the RFQ Specifications Document.

Question: What are the start and end dates for construction?

Answer: Refer to the RFQ-NFC-05-2024 Specifications Document. Contractors applying for prequalification with NFC must provide a statement with their response affirming the Contractor's willingness to enter into contract with NFC within ten days of notice of an award of bid. Contractors must be prequalified through the RFQ process to be able to submit a bid for the project. At the time of bid award, the successful bidder will enter into contract immediately, within ten days of notice of award for the project, however, the notice to proceed with construction will be a time mutually agreed upon by the successful bidder and the College and which will accommodate completion of the project within the funding requirement completion date. The project must be completed

Question: What is the estimated value or value range for this project?

Answer: The estimated value range for this project is between eight hundred thousand and nine hundred-fifty thousand dollars.
